

BIG IDEA COMPETITION 2016

Overview

The Purpose of the BIG Idea Competition

To promote entrepreneurship, spur creative thinking, and encourage students to start a business.

The purpose of the BIG Idea Competition is to foster entrepreneurship by getting high school students to think about business opportunities and the possibility of creating those opportunities in South Dakota. Student ideas can be for any type of business they choose. It could be an idea for a business that would serve a local area or an idea for a new or innovative product or service that a student has identified.

Important Dates

September 1, 2016: Competition is launched and online login and entry form can be accessed. Complete entries can be submitted any time after September 1st.

October 31, 2016 midnight CST: Final date for each student or team to submit their business idea and marketing designs online.

Mid-November, 2016: Finalists will be notified.

Late November, 2016: There are various deadlines for the finalists and for any schools participating in the Award Ceremony.

Thursday, December 8, 2016: Finalists present their idea to panel of judges. All schools and students are invited to the awards ceremony where winners will be announced.

Rules and Guidelines

Any high school student currently enrolled in a public, private or home school may submit a business idea entry. Ideas may also be submitted by teams of students (up to three students per team). A student (individually or as part of a team) may create as many entries as they wish as long as each business idea is different. Students will need to create a separate login for each entry. Finalists from prior BIG Idea competitions are not allowed to resubmit their previous business idea but may participate by submitting a new idea for the 2016 competition.

More competition details can be found under the Rules tab on the website in the Judging Guidelines document.

Students who enter the competition understand and agree that:

- By submitting the application, students agree not to plagiarize any website, article, or other source available to them in creating their BIG Idea entry. Students understand that the BIG Idea Committee reserves the right to review all entries and disqualify any entry where plagiarism is found.
- Students will complete a short survey as part of the submission process.

BIG Idea Competition: Overview

www.BIGIdeaSD.com

- If competing as a team, the primary contact person, as identified in the login and entry process, is responsible for communicating with other team members any information related to the competition.
- Students who enter the competition and are chosen as finalists must be available on **Thursday, December 8, 2016** to present their business idea to the judges as well as attend the awards ceremony.

The Business Idea Competition

To develop the business idea, students will cover important points that are key to the success of a business. These points fall under the following sections:

- Concept Overview (75 words)
- Product or Service (250 words)
- Market Opportunity (250 words)
- Competition (250 words)
- Management and Operations (250 words)

New! Wellness Category (optional)

New this year is a \$500 prize for the best business entry addressing wellness, sponsored by Sanford Health. To enter the Wellness category, think of a business concept that promotes wellness. Wellness is defined as a state of being in good physical and mental health. Please check the Wellness box in the Entry form under the Business name section to be submitted in this category. Sanford will be choosing the winner of the Wellness category.

The Marketing Design Competition (optional)

An optional Marketing Design Competition allows students to create an ad with a logo to support their proposed business idea. Since the marketing competition is optional, marketing designs will not be considered in the judging of the written business idea. Judging will be based on how well the design elements relate to and promote the business itself.
